

WELCOME TO WAKE

Dear Parent(s),

If you're reading this, your junior high student recently visited Watermark Community Church. My name is David Penuel and I am the Director of Junior High Ministry. I want to extend to you and your family a very warm and enthusiastic welcome from our Student Ministries team. I hope this letter will provide you with some helpful information about our programs for junior high students. If you have any questions feel free to shoot me and email or give me a call anytime. My contact info is listed below.

To introduce you to our ministry, I think there are three things every new student and parent should know about: Wake, Small Groups, and Events.

WAKE

"Wake" is the name of Watermark's weekly large group gathering for all 6-8th grade students. Simply put, this program aims to shatter the stereotype that church is boring. The setting is fun. The volunteer leaders are fun. The music is fun. The skits and games are fun. And most importantly, the messages are meant to help students engage and understand how the Bible actually applies to their lives. We meet on Sunday Mornings at 11am on the 4th Floor of the Watermark Tower.

SMALL GROUPS

One of the best things about church is the opportunity to build authentic and lasting friendships! At Watermark, we're always looking for ways to make the big group feel smaller. We have several Small Groups for each grade that are broken down by gender and location. Groups typically meet during the school year in the homes of students. The curriculum is centered around applying the message that was taught at "Wake" on Sunday morning.

To help students get plugged in, we add newcomers to existing groups up to 12 members. We also have an "open" small group for all newcomers that meets Sunday nights from 7-8pm in the Watermark Coffee Shop. To start the process of joining a Small Group, fill out an "Info Form" at Wake or electronically by clicking the Small Groups tab on our website, www.morewake.com.

EVENTS

Lastly, we have several junior high events and retreats throughout the year meant to bond the group and help kids grow in their relationship with Christ. Information and registration forms for what's coming up are available at Wake on Sunday mornings or you can find those things by clicking the Upcoming Events tab on our website, www.morewake.com.

Please feel free to call or email me if you have questions. Know that I am eager to partner with you in shepherding your kids and would love to serve you in any way I can.

Ready to Serve,

David Penuel
